GRAND CHAMPION FEMALE

RESERVE CHAMPION FEMALE

Daughters of Aldie Apex at Bilmar Farms, Grand Blanc, Michigan. This well known firm is selling one bull and four females in this sale.

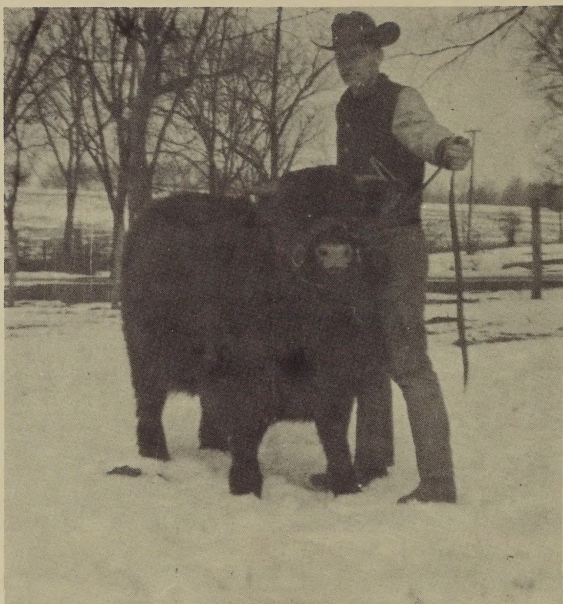

To promote a breed, top quality cattle must be made easily available. It is just as important to provide a strong market for good cattle. For many years the Mathers sale has been one of the breed's feature events . . . attracting breeders from every corner of the land. Having come this far, it seemed only logical to add a second strong sale, providing twice the number of cattle.

The idea caught on immediately and the first two sales were successful. For this reason, this year . . . for the third sale . . . no difficulty was encountered in obtaining a strong offering from leading herds over an eight state area . . . Tennessee, Michigan, Indiana, Illinois, Wisconsin, Ohio, Kentucky, and Missouri.

The offering includes many winners from top shows of 1961. Every consignor is sending the pick of his cattle. The sale provides a selection of quality from various bloodlines. The two day sale series will give you an unusual opportunity to strengthen your herd.

CRAFTMAN'S FORTRESS — This bull was supreme champion at the 1961 Wisconsin Futurity over all breeds as a junior calf. As I own his dam and four of his sisters in my small herd, his services are limited. His first crop of calves have done quite well this year. He has finished his show record this year being reserve senior champion and a member of the first two bulls at the Wisconsin State Fair.

INNESS CODE — This is our senior yearling bull from this year's very successful show string. He is a good-headed bull that is real sound and ready for service. You will like his depth and thickness of quarter that is bred into all the Barbican calves. His sire, Naemoor Barbican, sired the reserve champion female and third place get-of-sire at the Royal Winter Fair. He was second place two-year-old bull at the Illinois State Fair under Mathers' senior champion. Naemoor Barbican sired the reserve champion heifer at the Illinois State Sale in 1962.

LEVELDALE BARONET — We have used him on some heifers. He is by Leveldale Critic, an International grand champion and his dam is out of a consistently high selling Butterfly family for Mathers. He is a full brother a year younger to the Butterfly female John Alexander purchased in the same sale for \$3,900. He's a grandson of Leveldale Basis. Also, a grandson on the dam's side of Calrossie Paramount, Perth supreme champion. We don't need him now as we have a son of Louada Fearless that we are using, Connieland Constructor and Melbourne Augustus, the All-American bull. They are all young bulls which makes us over-stocked on herd bulls. Vaccinated for Lepto, pre-bled and vaccinated for Bang's.

In 1962 he was Gold Medal champion bull of Indiana and first place junior yearling and reserve junior champion open class at Indiana State Fair. We think he is good in every respect and probably one of the thickest, best boned bulls to be offered anywhere this year. His dam was the Indiana Gold Medal champion female in 1957 and this family comes from the imported Silver Clipper by Kirkton Dauntless by Kirkton Baronet. We wish to retain a 1/3 interest so we can use frozen semen from him. Buyer gets full possession otherwise. T.B. Accredited.
